Marra Boots off & Wellness Day

Thank you to everyone that came along to the Marra Boots Off Wellness day, braved the cold weather for a day out of pampering, whether it was a massage, a haircut, the amazing grazing tables, the coffee or just a catch up with old friends.

We can all say that the P&C here at the school have out done themselves with this one, it was a fantastic day had by all.

T4L Training for staff in Dubbo

Marnie, Kellie & Heidi will be traveling to Dubbo this Thursday to participate in IT Training which will include training on iPads, Adobe Photoshop & Adobe Spark, Virtual reality & much more.

PBL

Mrs Hibbins attended the Positive Behaviour for Learning Showcase at Western Plains Zoo last Wednesday. She participated in various workshops. It was very informative and she got some great ideas from the showcase where PBL schools exhibited what they do in their schools.

PBL focus for week 10 is-

Using our manners & being Courteous.

Wedding Fever in the Marra

If there isn't a wedding for years in the Marra, there was 2 in one week! A huge congratulations to Jack (former Marra Creek Student) & Kymmy Green on their wedding day and we wish you both a lifetime of happiness together.

Niki (our GA) married Matthew Bell last Thursday, Congratulations Niki & Matt it was a privilege that we all could share that special day with you both and we also would like to wish you both a lifetime of happiness together.

Book Week

Book week character dress up has been postponed till early next term.

Marra School plus 1

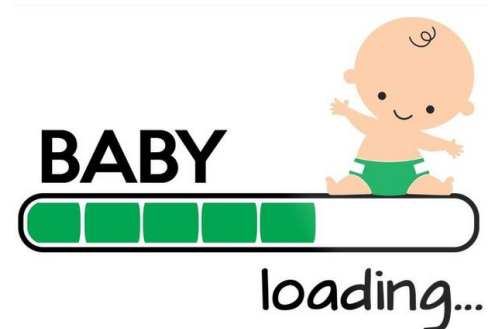

Congratulations to Sam & our fabulous teacher Heidi on their baby news. We hope you have a smooth pregnancy, and can't wait to meet baby Fitzgerald.

Australian Reading Hour

Last week we participated in reading hour, we stopped what we were doing for 1 hour and picked up a book.

The hour promotes Australians to either rediscover or introduce themselves to the benefits of reading. Take the time to learn, escape and relax.

In children, reading has been shown to help with identity formation, setting them up for success in the future, In adults, reading has been shown to reduce stress by 68% more than listening to music, going for a walk, or having a cup of tea.

All about Space with Mrs Fitzgerald

This term the students have been looking at the unit Earth and Space. They have enjoyed learning about the planets and how the sun and the moon affect Earth.

The students have had fun using the excellent space resources to demonstrate how days, years and seasons occur on earth as it moves around the sun.

They have even created their own Mnemonics to help remember the order of the planets.

Examples of Mnemonics by Pippa Turnbull & Trudy Johnstone.
